V. Background of the J. Ralph Dickert Rotary Scholarship.

Begun in 1994, this Scholarship program is sponsored by the Brundidge Rotary Club and the family of James Ralph Dickert as a tribute for his many years of unselfish, dedicated service to The Brundidge Rotary Club, Rotary International, The City of Brundidge and the many other organizations which he served with distinction.

J. Ralph Dickert joined the Brundidge Rotary Club in 1940, just 2 years after it was organized. In 1941, he served a half year as president before entering the Army during World War II. In 1947 he again served a half year as president of the club. The Club presented him with the "Service Above Self Award" in 1966. In 1969-70, for the third time, he headed the club. Ralph was the first member of the Club to earn recognition as a Paul Harris Fellow after \$1,000.00 was donated by the club to the Rotary Foundation in his honor. His loyal and dedicated service is illustrated by the fact that he only missed 3 Rotary meetings during the last 33 years of his life with perfect attendance during the last 16 years he lived. He attended a Montgomery Rotary Club meeting while waiting to be checked into the hospital the day before he died.

He also served Rotary International District 688 as District Special Projects Chairman. Later he was the District Governor's Special Representative during which time he organized the Elba Rotary Club. Finally, he was elected District Governor of Rotary International District 688 which covers approximately half of the State of Alabama.

Ralph's loyalty also extended to his many other community activities. He served his church, The Brundidge United Methodist Church in every official capacity including Superintendent of the

Sunday School Department, Chairman of The Administrative Board and Chairman of the Board of Trustees, a position he held at his death. He was a charter member of the Board of Directors of the Alabama-West Florida United Methodist Foundation, Inc. He also served on the Board of Directors of the Alabama Society For Cripple Children and Adults.

For twelve years Ralph Dickert served The City of Brundidge as a member of the City Commission, including three terms as Mayor. He was a charter member of the Brundidge Industrial Development Board and served on the Board of Directors of the Southeast Alabama Gas District and the South Alabama Electric Cooperative. He was instrumental in establishing the Brundidge Country Club and served as its president for the first three years. He also served on the Southeast Alabama Council of the Boy Scouts of America for 16 years and was involved in the acquisition of land for the establishment of Camp Alaflo. He was a member of the Order of the Arrow and earned the highest award in scouting for adults - The Silver Beaver.

He held the office of Vice President of the Southeastern Lumbermen's Club, and was a member of the Alabama Forestry Association and the Alabama Trucking Association. He also served for a short time on the Board of Directors of the First National Bank of Brundidge.

VI. Background of the Harold Rodgers Memorial Scholarship

This scholarship was established by Mr. and Mrs. Donald Johnston, Jr. in memory of Harold Rodgers in 1997. In establishing this Scholarship program Donald Johnston, Jr. stated that "Harold Rodgers was somewhat of a mentor as I was coming along. My father died when I was a young boy and Harold made sure that opportunities for work came my way. He gave me work at M.L. McDowell Grocery where he served as manager. He encouraged me to join the National Guard. Later, when I was in college he helped me to get a job at the post office. He was someone who went out of his way to help me and I appreciate what he did. Through this scholarship we hope the recipients will begin to understand what kind of person he was. Our goal in establishing this scholarship is to perpetuate the spirit of helping others that Harold Rodgers possessed."

Harold Rodgers was a Brundidge native who served his community as a postal worker for 30 years. He was postmaster when he retired in 1978. He served his country in the Air Corps during World War II and spent an 18 month tour of duty in the South Pacific. In 1955, Rodgers was one of four men who helped organize the National Guard unit in Brundidge. As a member of the National Guard, he spent 10 months on active duty at Fort Polk, Louisiana, during the Berlin Crisis.

He was a member of the Brundidge Rotary Club for many years and served as president of the club in 1964-65. He was also a member of the American Legion and the Veterans of Foreign Wars. He was a loyal member of the Brundidge United Methodist Church for many years and served on its official board for ten years.

VII. Background of the Robert L. Godwin Memorial Scholarship

This scholarship was established by Mr. & Mrs. Donald Johnston, Jr. in memory of Robert L. “Bob” Godwin in 2002. “Mr. Bob” moved to Brundidge in 1938 and began a portable hay and corn grinding service for area farmers. This business grew into “Bob’s Feeds”, an important producer of as many as 80 different animal feed products to farmers in Alabama, Georgia and Northwest Florida. Bob’s Feeds was the first feed company to market a commercial sinking fish food. During its peak years, employment reached 90 people. He also founded “Bob’s Eggs” which eventually produced as many as 800 cases of eggs per day which were sold primarily to A & P and Piggly Wiggly Supermarkets. In addition he operated “Winwood Farms” where he raised Purebred Shorthorn Cattle, hogs and poultry. For seventeen years he sponsored the annual “FFA Day” at Winwood Farms with animal judging and tractor skills competitions and other events for Wiregrass area FFA students.

Mr. Bob was generous to his employees and it is reported that his company was the first in the area to give paid vacations to its black employees. Mr. Bob was very active in statewide political races for a number of years and developed contacts with many elected and appointed officials in state and federal government. Through these contacts he was able to help influence decisions to keep the National Guard Armory and Vehicle Maintenance Shop in Brundidge, and to preserve the present route of US Highway 231 in this area. He actively promoted Brundidge and was able to help acquire funds for construction of the airport. He worked to improve his community in many ways and became a member of the Brundidge City Council. He was a founding member of the Brundidge Chamber of Commerce and was very active in attracting new industry to the area. He personally influenced the decision of Regal Gloves to locate a factory in Brundidge.

He was a faithful member of the Salem Baptist Church and served as a Deacon and as Sunday School Superintendent. He also found time to visit sick and shut in people in the community on a regular basis. He provided transportation to many members and once bought a school bus for a local church. Robert L. Godwin was a loyal member of the Brundidge Rotary Club for many years and served as its President in 1960-61. Mr. Bob set an example of citizenship others should strive to emulate.

VIII. Background of the Wilburn E. Howard Rotary Scholarship

Another scholarship was added to the Brundidge Rotary Club Scholarship Program in 2009 and named in honor of Wilburn E. Howard. He was born at Verbena, Chilton County, Alabama, on January 13, 1925, and graduated from Verbena High School. He served approximately 3 years in the US Army Air Corps during WWII as a cadet and later in Europe as a pilot aboard a B-17 bomber. Mr. Howard graduated from the Southern College of Watch Making in Memphis, Tennessee.

Not only did he make numerous emergency ambulance runs over this period but he served in every office of the organization including Secretary – Treasurer, Squad Leader and Captain. In the early years when communication was by CB radio, Wilburn's handle was Diamond Back.

Wilburn E. Howard was a long time loyal and dedicated Brundidge Rotarian having joined the club in 1955 and retiring from it December 31, 1997. He served the Club as Vice President, President and for 37 continuous years, as its Secretary - Treasurer, a job requiring a considerable amount of time and effort each week. He had a record of perfect attendance at weekly Rotary Meetings stretching over a period of more than 10 years. The Brundidge Rotary Club honored Wilburn in January of 1982 by donating \$1,000 in his name to Rotary International's Rotary Foundation and making him one of the Club's early Paul Harris Fellows.

Wilburn E. Howard has provided the Brundidge community with an enviable record of distinguished public service and sets an example worthy of the appreciation of all of our citizens.

IX. Background of the Reynolds E. Wallace, Jr. Rotary Scholarship

Another scholarship was named by the Brundidge Rotary Club Scholarship Program in 2011, in memory of Reynolds E. Wallace, Jr. Reynolds was born in Selma, Alabama on July 4, 1921 and graduated from Dallas Academy. He later received a B.S. degree from Auburn University in 1946, with a major in agricultural engineering. He was a WWII veteran having served in the 15th Army Air Corps stationed in Italy and Sicily.

After the war, Reynolds and his wife Shirley moved to Brundidge, Alabama in 1946 and founded Wallace Pump & Supply Co. along with his father Reynolds E. Wallace, Sr. They literally followed the Rural Electric Cooperative's newly installed power lines, and they sold and installed electric water pumps to provide indoor plumbing for homeowners. This was a much needed and anticipated commodity in the late 1940's. Later his company became a wholesaler of pumps, plumbing, electrical, and irrigation supplies that still exists today in Brundidge, AL and Mexico Beach, FL.

Reynolds loved his home in Brundidge, AL and was involved in many church, civic, and scouting organizations. He was a member of the Brundidge United Methodist Church and served it in many different capacities. He served on the Administrative Board, Board of Trustees, and

was a Sunday School teacher. He was also a member and past president of the Brundidge Chamber of Commerce.

Reynolds E. Wallace, Jr. was a long time Brundidge Rotarian, joining the club in the early 1950's. He served as President on two separate occasions: 1953 - 1954 and 1981 - 1982. He also served many times on the Board of Directors and also as bulletin editor. The Brundidge Rotary Club honored Reynolds in 1988 by presenting him with the Paul Harris Fellow Award.

Reynolds E. Wallace, Jr. served for many years on the Board of Directors of the First National Bank of Brundidge. He also served the city as a member of the Brundidge Industrial Board.

Scouting was one of his passions and he served in many different ways. He was a Cub Scout Pack Master, a Boy Scout Scoutmaster, and one of the founders of Woodlore Camping School. In 1974, he served as president of the Alabama - Florida Council of the B.S.A. He also received one of scouting's highest honors: the Silver Beaver award. He was known for his great storytelling ability around campfires and many scouting friends called him the "Silver Fox".

Reynolds E. Wallace, Jr. loved God, his family, and his community and would be honored to know that this scholarship was named in his memory.

X. Background of the Sara Spano Memorial Scholarship

This scholarship was established in 2011 by Larry Shiver in memory of Mrs. Sara Spano. Mrs. Spano was a teacher in the Georgia school system and served as President of the Georgia Parent Teachers Association for many years. After a career in teaching, she began a second career as a columnist and food editor for the Columbus Leger-Enquirer newspaper in Columbus, Georgia.

Mrs. Spano authored a recipe book and another book entitled "I Could Have Written Gone With The Wind, But Cousin Margaret Beat Me To It". She was a cousin to Margaret Mitchell.

She helped many people, including Larry Shiver, who for various reasons did not have the resources to attend college. Larry said "In my case she simply left a check and a note for me at the newspaper. The note stated that she knew I was having financial problems with tuition and that she didn't know anyone she respected more for working as hard and making the grades I did in college." The only thing she asked in return was an invitation to Larry's graduation and "If you are ever able to help someone, do so." These are the reasons that Larry Shiver wanted to sponsor this scholarship.

Larry said that in his mind, Sara epitomized the gospel of St. Matthew where it says "In so much as ye have done it unto one of the least of these my brethren, ye have doe it also unto me". Sara Spano received many honors during her lifetime, but none that she would have considered as great as having a scholarship to help a child attend college named in her memory. Larry Shiver said he is honored and blessed to be able to do this in her memory.
